Please note:

There will be time during the data session for you to discuss your own KS1 /KS2 data analysis to see if the picture in your school mirrors national and local priorities. Please bring your data and any analysis you've completed with you. (You may find it useful to bring the 'top sheet' from the school's profile).

The venue for the meeting on 4th November has changed to Chipping Sodbury Town Hall.

Looking forward to seeing you all,

Claire & Helen
