SWGfL e-safety Conferences 2008

Bookings for the South West Grid for Learning e-safety Conferences 2008 will be taken online from 09:00 on Monday, 15th September 2008.

Visit <http://www.swgfl.org.uk/esafetyconferences> for further details on the programme of events, workshop choices, venues and how to book.

Building upon the success of last year's conferences, and the extensive work that SWGfL and its partners have achieved around the area of e-safety, this year's conferences promise to deliver a comprehensive programme of seminars and keynote speeches, delivering crucial information on the latest developments in the e-safety arena.

This year's conferences are being held on the following dates:

Tuesday, 25th November: Riviera International Conference Centre, Torquay

Wednesday, 26th November: **Holiday Inn Filton, Bristol**

Thursday, 27th November: Bournemouth International Centre, Bournemouth.

Bookings will close on Friday 24th October, but we recommend you book your place now to avoid disappointment, as we expect places to go fast.

Please note: The cost of attendance is £70 per delegate (£150 for non-SWGfL affiliated schools, Local Authorities and partners), which includes lunch and refreshments. You will not need to pay at the time of booking as your school/organisation will be invoiced directly after the conferences have taken place. We reserve the right to charge a fee for cancellations. Full terms available at time of booking.

Kind regards,

The e-safety Conferences Planning Team
