

Promethean Interactive Whiteboard Offer

£3000

(for 20+orders)

This offer includes a fully fitted 75" ACTIV board and LCD video/data projector. The ACTIVboard is mounted on the wall and the projector is ceiling mounted operated by remote control. A VGA splitter enables the computer monitor to be viewed with or without the projector. The system includes a Sanyo SE20 SVGA 1500 ANSI lumens data projector, an ACTIVslate, ACTIV tablet and wall mounted sound system. The software provided is a single user licence for both ACTIVprimary and ACTIVstudio.

To take advantage of this offer
schools must submit a purchase
order form to
Sue Morgan (FAX 01454 868967)
