

**LEARNING FOR INNOVATION SBL LESSON ACTION PLAN**  
2nd May 2003  
DBa RCo

Bright idea  
One lesson to find them ...  
And in the darkness bind them.

**Exemplar lessons for Modern Languages and Geography**

To share with Kingswood partnership for innovation 14-19 education

Use with PGCE students for Teaching and Learning Styles training

Invite Primary School Language and Geography Coordinators to see and discuss joint projects

To share on e-international with partners

Share in Curriculum twilight meetings with colleagues

Share ideas with SBL Music dept. on KS3 Strategy

To evaluate improvement in student motivation and perception of real learning in coordination with

Interactive Research Project

SBL International Research Centre

Use of ICT by all students within lesson ...

eg (e-whiteboard mapping?)

To include structured visual mapping to escalate order of activities

Using the seven-stage accelerated learning cycle

Including personal, pair and group challenges within the lesson
