

## DANCE EJAY FOR SCHOOLS

Finally after many months Dance eJay for schools is available. If you are a fan of eJay, then this promises to be an ideal set up to run at school and have lots of fun!

This program has been specifically designed for use in the classroom and optimized for networks. It is suitable for teaching music making to students of all ages and abilities. Covering the following key areas in music - arranging, creating and developing ideas, improvising, refining and improving, rhythm, pulse, pitch, melody, structure and harmony. Import samples in MP3 or WAV format, record your own samples and export your mix as a WAV file. Also includes more than 3,500 royalty-free dance, club and lounge samples from Dance eJay 5.
