

Ready 2 DJ?

Mixman DM2

Are you, or were you a budding DJ? If you have any interest in the following details, then this piece of music software is for you and will certainly bring music to life in your classroom! Suitable for all age ranges, including adults! The Mixing studio really is very easy and incredibly addictive. If you like the software Dance eJay, then you will like this. You can burn your mixes onto CD and play them for hours!

If you are not into House Music or Hip Hop, don't despair, there is a wealth of styles to access.

Musical styles include: House, Drum & Bass, Techno, Hip-Hop, Trance and Grab Bag! (You have never heard of Grab bag?!) You can also access, reggae, disco, country, funky, world music and more.

Available for PCs (not Apples) from Tag learning for the reasonable price of £45 plus VAT

mixman.com

You simply choose a style, load a song and remix it!

- Add your own voice and WAV files to the mix (microphone needed)
- W.A.R.P. (Wideband Audio Real - time Processing) joystick
- Dual independent Scratching rings for that real DJ sound!
- Transformer controls - to punch up the volume on selected tracks
- Cross fader - ease it, jam it, whip it back and forth between the decks
- Solo button - break down the mix and solo any track.
- 16 Track buttons - access digital audio tracks, vocals, beats, effects etc.

An introductory video demonstrates the highlights of using the computer and software to remix the music. Once you have started mixing it is hard to stop!

Contact Christine Wright at the Music Service if you would like to have a go on a Mixman either at the music centre or at your own school.
