

## ICT - INSERVICE TRAINING ON SIBELIUS

Sibelius is a music software programme that enables you to produce your own arrangements with relative ease.

The staff at the Music Service spent some time getting to grips with the programme. They were helped by one of our instrumental teachers, Trudy Monday, to keep us on the right track! (there was the temptation of getting a little too trigger happy with our mice! )

Rebecca Lambert (violin teacher)

There are several versions of Sibelius available. If you wish to know more about any music software, contact Christine Wright at the Music Service.

If you arrange/compose your own music, Sibelius can provide the templates for a duet/quartet ensemble to full orchestral score.

Trudy Monday and Bob Chadwick (Strings Co-ordinator)
