

# Dance eJay for Schools

<http://www.ejay.com>

EJay for schools can enhance project work with real sound and music collected, edited and mixed by the pupils themselves.

- 48 track sound mixer easy to use – drag & drop
- Compose using thousands of samples or own recordings
- FX studio for editing samples
- Equalizer, boosters and audio mixers for each track
- Vocoder, voice generator
- Groove generator - digital drum machine

- Record your own samples and voices
- Import samples in MP3 or WAV format
- Music Animator – with save to mix and AVI video file export
