

Cross Country

On a wet and windy 16 June over 290 year 5 & 6 pupils from 27 primary schools took part in the annual Cross Country event. The event took place at The Grange School in Warmley. The races were open to both boys and girls of years 5 & 6. A marked course was set out around the school grounds and the results were recorded as the children finished to add some competitiveness amongst the fun of racing.
